INR is the amount to be received in our account. OMR is indicative at ₹253 per OMR (based on item 1).

What is included

- Domain registration and DNS records for mdfc.om, pointed correctly for email.
- Zoho Mail account setup, 5 mailboxes, SPF, DKIM and DMARC records for better inbox delivery.
- Help setting up each mailbox on phone and Outlook, and a short hand-over of the admin login.

Payment terms

- **100% advance.** The domain and email subscriptions are paid in full to the providers at the time of ordering, so the full amount is payable in advance. Work starts after payment is received.
- **Bank charges.** Remittance charges, if any, are borne by the sender so that the full INR amount reaches our account.
- **Currency.** The INR amount is fixed as quoted. OMR figures are indicative and will vary with the exchange rate on the day of transfer.

Terms & conditions

- **Validity.** This quotation is valid for 7 days, as domain and subscription prices may change.
- **Renewals.** The domain and each mailbox renew yearly. We will remind you before the renewal date. Renewal prices follow the providers' rates at that time.
- **Ownership.** The domain is registered in your company's name and the admin login is handed over to you on request.
- **Documents.** The .om registry may require company details or a trade licence copy. Please share them when asked, as delays can hold up registration.
- **Not included.** Website design and development, content writing and email migration from other providers are quoted separately.
